The Story:

Had tried to book Morgan having had a great experience with her before, but she was booked at the time I was in town. Was told that if I'd liked Morgan, I'd like Alex... And I get why. Both cool down to earth and chatty. My only issue is that we chatted for so long unexpectedly, that we didn't have as long as I'd have liked to get down. And it took me slightly longer than usual to firm up!

When I did the rest went according to plan. A great girl who I enjoyed my time with but something didn't quite click between us.
