The Premises:

Tori operates out of a very discreet large cabin that is in a big yard with plenty of parking. It is down a private tarmac road, the premises can't be seen from the public road and there are no neighbors to overlook the property. The cabin is spacious clean and tidy. There is a shower and plenty of clean towels

The Lady:

Tori is mid to late thirties, very attractive with long black hair a slim size 8 body with ample breasts with prominent nipples. This lady is a natural squirter. its not wee and if you can push her buttons she squirts time after time. The pictures in her profile are definitely her

The Story:

From the moment I met her she was very tactile very chatty and very flirtacious. She loves showing off her lovely arse and juicy pussy, She makes the most of the large mirror in her bedroom. once I got her going she was an amazing squirter, in our session together she squirted four times and things got pretty wet. her blowjob, ball licking and rimming were enough to make me cum there and then, but I managed to contain myself, it was worth it to have sex in every position I could think of or manage, plus a few others. This girl is well worth a visit, I will most certainly be paying her a visit on a regular basis
