### The Premises:

About a ten minute walk from Victoria tube station. Easy to find and at the less busy end of the street. Arrived 5 minutes early for the appointment and had a nice shower.

### The Lady:

I had been meaning to see Katherine for many a year. When I finally got to meet her, I said "so you're the legendary MK Helen...." Tall, curvy figure and a very pretty face, she didn't let down my expectations of what was behind the blurred face in the pictures. Lovely natural breasts and a pussy with a landing strip.

### The Story:

Very soon after entering the room (I was naked, she was not) we were soon kissing and Katherine mentioned that she wanted us to have fun but there were a few things off limits. Spanking being one of them, I recall. She slowly took off her bra and the rest of her clothes and was soon on the bed with me for more kissing. She then got between my legs and started licking my balls first. Then she took the whole of my not yet erect penis and put it all in her mouth for some sublime OWO. It wasn't long before I started getting harder and the inevitable 69 happened. It wasn't long before I asked "shall we have sex?" and I stayed on top of her for the whole session. Something happened to me that I have never experienced with anyone before. She started squirting after a few minutes! This was a fantastic new experience for me. The sex we had was nice and slow with Katherine pinching my nipples quite hard at my request. At one point she started biting my nipples. Knowing of her experience as a dominatrix, I didn't dare ask her to take it any further! I could have stayed inside her pussy for ages but again time was running out. So off with the condom and Katherine started wanking my cock. I then stood up and carried on till I came in her mouth. It was a turn on watching her spit out my spunk into a tissue.

What Katherine promises is that any time you spend with her will be fun and sexy and she certainly delivered that. There is nothing fake about her. She is the real deal. I had a great half an hour with her and would definitely like to see her again.
