The Premises:

Hotel in southern Coventry. Discreet and no need to walk past reception so nice uninterrupted walk to room.

The Lady:

About 5.3 as advertised, size 10 with a cracking set of boobs. Fake, but not the stiff bolt ons that are no fun to play with. Nice olive complexion and a good looking face which is always my personal preference. Carrys herself confidently and is very friendly which puts you at ease straight away. A real head turner.

The Story:

Got to the location bang on 4 and directed to the room. Once she opened the door I thought fuck me she is stunning and I'm glad I booked her straight away. Entered the room and dropped the cash on the table as I don't like the awkward transaction part. Confirmed services before hand but then asked for a lapdance after seeing the netted body stocking she was wearing. She obliged and stood up fir some deepish DFK, not full on snogging but still plenty of tongue to give you the GFE experience. Got me on the bed where we felt each other up and had more of a kiss and sucked on her nipples. She stripped me off whilst straddling me like a stripper and rubbing me in all the right ways. Straight into OWO which is sublime and reverse oral which is again sublime with her tidy snatch. On with a jacket whilst she bent over and had a go from behind and let me tell you this woman knows how to move her arse in doggy. Almost blew straight away. Next, legs up over my shoulders whilst DFK in missionary is my weakness and I emptied in the bag. Shower and out the door in 30 mins. Highly recommend this one if she's ever available around Cov. Definitely going back.
