The Lady:

Nicole, what can I say, from the moment that her pictures were put on MKEs website I knew that I had to see her and when she walked into the room I wasn't disappointed. What an absolute stunner, she is 5'6" tall a very small frame, definitely a size 4 with the most amazing pair of boobs that I've ever had the pleasure of playing with.

The Story:

I had arranged to be the first one in to see Nicole and I was in for a real treat.

I arrived at MKE just before 11am, the maid greeted me and took me to the lower room and fetched me a glass of water.

I was just getting comfortable when Nicole walked in, the first thing I noticed was her very beautiful face. This was very quickly followed by her huge ample boobs, which were barely covered with some sexy lingerie.

Nicole came up and gave me a lovely kiss and grabbed my cock through my jeans.

Once the paperwork was sorted out and the clothes were done away Nicole lay down on the bed and started to suck my cock, she really know how to suck cock! She does an excellent deep throat (and I'm not the smallest guy)

I said that I wanted to taste her pussy, so I lay on the bed and she straddled my face then continued to suck on my cock while I sucked on her sweet pussy, she made all the right noises and my tongue flicked across her pierced clit.

Nicole then climbed off and allowed me to spend some time just playing with her huge tits, then she climbed on top and started to ride me, her pussy is so nice and tight!

I sat up on the bed and held her as she rode me, I then was able to stand up and bounce her up and down on my rock hard member! I turned and lay her down on to the bed for some missionary fucking, but I wanted to be able to play with her tits, so I rolled her onto her side and slipped into her from behind while grabbing and playing with her huge assets. She then suggested doggy for finishing off, I agreed. What a sight to behold as I ploughed her for all I was worth watching her moan with every thrust! Before long I couldn't hold back anymore and exploded.

Nicole is an amazing pocket rocket, she is very good at what she does and is simply stunning as

well!
