The Premises:

Private house on the outskirts of Kettering, plenty of on street parking. House was tidy and well kept, clearly her personal home and not a paid location, very welcoming and relaxing. Comfortable bed and good shower facilities available.

The Lady:

True to her Adultwork profile Shy was a curvier girl, size 14 but cute and very pretty face. Large boobs and bum but dressed appropriately for her size to really show off her best assets. Matched her Adultwork photos and profile nicely.

The Story:

Shy was my first time with an Escort and she was very warm and welcoming from the moment we met, helping to calm any nerves I had and relaxing me into the experience. Once we were down to our underwear we started with massages, firstly her massaging me. Her massage wasn't brilliant and seemed to lack effort but was relaxing. I then massaged her, back and front, eventually going down on her, fingering and licking her until she came. After cuddling and chatting we then moved on to sex with a condom, we kissed and caressed a lot and had a great time before cumming.

This was very much a vanilla session and i had a really great time. She was bubbly and chatty throughout and never came across as clock watching or rushing the session. Would recommend to anyone looking for a GF experience with a bigger girl.
