### The Lady:

Carly is a very sexy brunette, approx. 5'10" with long legs and curves in all the right places. She matches her Adultwork photos and description well and definitely gives off a "girl next door" vibe. When she arrived she was wearing a short black skirt and hold ups (looked like tights at first and I was initially disappointed) with a puffy coat. Discrete enough so as to not interest my neighbors which I really appreciated.

### The Story:

Initially I booked Carly for a two hour meet. She was very friendly and fun, we chatted for a bit and shared some wine I had got for the occasion after reading her AW interview. What I appreciated was that as the time started to tick by her body language started to shift, legs towards me, edging closer so our knees touched. She was fully engaged and when I moved to kiss her I was met with enthusiasm. She straddled me on my sofa and had a hot make out session, removing most of our clothes. I suggested moving up to the bedroom where we fucked doggy style With a condom and I caught Carly checking us out in the mirror (which was a real turn on). As I went to change position Carly moved to start sucking my cock and when we kissed after I could taste her on her breath. We started fucking again with her on her back and her tits bounced as we fucked. She begged me to go harder, full eye contact, and i obliged before cumming into the condom. Carly went to clean up and I returned downstairs. We drank more and I expected to say goodbye when we started kissing again and I could feel myself getting hard. Carly had an offer on for a 3rd hour which I decided to take up. This time she got on her knees and sucked me before I bent her over my sofa and really went to town, her ass is a great size, big enough to grab a handful but proportional to her frame and soon after I was cumming again. Before leaving she kissed me warmly and said shed had fun.

I would strongly recommend Carly to anyone looking for a good fuck or a full girlfriend experience. She was amazing throughout and me the complete center of her attention, i will definitely be seeing her again.

I've also seen on her AW profile that she has a male partner and is offering a threesome experience and I am definitely considering it.
