### The Premises:

New second upper flat in Victoria.

### The Lady:

Right. This one is tricky. I have been trying to book Effy for ages, since she's so popular this is natural. However, and I have to say this, her pictures are misleading in the sense that it looks like she has a nice bum and grown up complexion. Instead I found that she was very very skinny, and not very close to what the pictures show.

Now, this doesn't reflect Effy's or HoD services. HoD maid was super helpful and Effy was fantastic (See below). However, I feel that it would be great if they can update Effy's profile.

### The Story:

Effy greeted me at entrance, after the COVID-related checks and me taking a shower, I met her in the room with the stairs (where Cheery fucked my brains out last year).

Here it got awkward for me for the reasons I described above. However, Effy was very profesional and put me at ease. We had sex a couple of times, but I just couldn't get to do it.

I am impressed of how caring and dedicated Effy can be. She's amazing and I was the one with the problem.
