The Premises:

A rather dilapidated tower block in Woolwich Dockyard. It was clean inside. Her number features on Vivastreet and Kommons, but with a photo of a much younger girl.

The Lady:

A Chinese lady in her mid 40s. She was about a dress size 10, maybe 12 with C cup breasts and large nipples. I was let in the room by a maid which made a change from the usual gentleman you get with Chinese girls.

The Story:

A bit of a routine punt, but enjoyable all the same. It was friendly and relaxed. It began with me relishing sucking and licking Lucy's long nipples. We then had protected sex in missionary and doggy positions and culminating with a slow hand job.
