The Premises:

See previous reviews regarding location. This was first time seeing the basement!! Love the space, definitely more welcoming the upper flat.

The Lady:

She is short 5'3, like her description, with long blonde hair below the shoulders. I loved her Ebony skin tone, with her blonde hair. She was gorgeous, definitely had unique look and looked quite impressive. She wore all red stocking with red heels, and red lip stick, the whole outlook was so inviting. Lovely, lovely boobs, with firm ass as well. Her mouth is so kissable, I ended up drying all the lipstick by the end of the session.

Her personality is very outgoing, and relatable.

The Story:

This is part 2 of my visits to HOD - See my previous review on Maya.

My favourite question to hear from an escort, and is always a good sign that she is experienced:
"So what do you like?"

Yes baby, that's how the conversation started! She literally was game for anything. I am very respectful with the ladies, but I could tell she had a submissive nature to her that I really liked. She was very polite, and had excellent class to her.

I tried to prolong the foreplay with her since she enjoyed kissing, so I did that for a while until it was time that we take her pants off. I kissed, and licked her body from neck to ankle, really really enjoyable, and just writing this now turns me on.

I was all over her, and vice versa, and she was enjoying it. She was friendly and made me comfortable through all the cut scenes. We 69ed for good 10 minutes - So pleasurable with her man. Her riding was really hot and I came quite early because of it. She felt really tight and I enjoyed her so much. We actually ended up chatting about what makes a pussy tight, and she said the more you exercise the muscles the more it contracts. Don't know, I am still not sure as to why

hers felts extra tight and special, but I accept her reasoning.

She offered me a second go, and we tried but there was not enough time. I was enjoying her so much, but the sperm bank didn't donate any second orgasms so we just chatted. She was my first ebony fuck, and she was %100 worth the money if not more. She knows what she is doing, and she is a pleaser. Lovely girl, with a lovey company. Hope to see you again when you are back x
