### The Premises:

Free parking, easy to access and the establishment is in mint condition, always smells fresh and clean.

### The Lady:

Height around 5ft'2, English rose and absolutely beautiful. She's in her 30s and has an absolutely banging body, toned with lovely soft skin, she goes gym and keeps herself fit and healthy. Fingernails and toes were painted and nice long soft hair. Lovely shaven pussy too. Sort of girl you would worship the ground her feet walked on. Her photos are quite accurate, definitely worth a visit lads!

### The Story:

Taken upstairs and shown the room, was offered a drink to which I accepted. As always I done my Hindu mantra's and prayers, always ask for the divine blessings. Tia then knocks the door, greeted with a huge hug and a kiss as I hadn't seen her in about a year! She asked for a prayer to be done over her to which I gladly obliged. I then got undressed whilst Tia watched and then helped undress her. Massage started with a lovely back rub then occasionally a naughty grope of my balls and stroking my dick, felt amazing. She then got telling me she had a hard day so I offered to massage her to which she said yes I would love to, so she gave me a body to body on my back, sliding her tits and pussy all over my back, it was absolutely amazing! Then I massaged her back, bum and tits. Wow, she loved every minute of it too, then it was my turn to be finished off, she gave me the most loveliest tit wank ever after I eventually exploded all over them she cleaned me and her self up then gently stroked my chest as we cuddled on the bed. Showers were done, paid up and on my way. Definitely a yes lads. Make you sure to book in!
