The Premises:

Easy parking, safe neighbourhood, clean and neat agent flat. Decent bedroom furniture and bed. All very clean and pleasant.

The Lady:

Laura is the woman in the office, on the train or in the supermarket, that you look at and think, I'd like to go out with her. The Good looking, attractive girl next door. The girl with great figure, who who is chatty and good company and once naked is as sexy as fuck

The Story:

Laura was wearing a one piece, which showed off her great body body. I always liked the smile in her profile picture. She is as friendly and happy as she looks. I love those boobs and gentle curves and pubic hair.

We stood French kissing, until I got wobbly. Stripped and we resumed more kissing and caressing on the bed.

At some point Laura started to move down to give oral and I asked for a condom (she is also happy with owo) she gives great oral, great skills, lots of eye contact and it felt brilliant.

I wanted to kiss her all over and slowly moved down Parted her legs, and admired her beauty and then entered in missionary.

An excellent fuck.

A magnificent woman.

Nice chat, cuddle and snog to conclude the meet it

Thanks lovely Laur
