The Premises:

Plenty of Tesla model S can be spotted around the residence. Less than 5 minutes away from Edgware Road station. The building was spotlessly clean, fairly discrete. Lovely 2 bedroom flat. Her room had a personality of its own, very tidy and could tell she is mega orderly. The shower facilities are modern, clean and easy to use.

The Lady:

Kylie is half Romanian, half Turkish. A sexy babe, with a unique personality, bubbly, very funny and down to earth. Because, she has an accent, you may be fooled that she is not fluent, but she is quite articulate.

5'7 tanned, enhanced breasts to DD, filler injected lips, but they worked out nicely for her. She is meaty, but is fairly proportioned to her body build.

The Story:

I filtered through for busty escorts, then went to the most reviewed lady and scouted through her reviews to find unique adjectives that would satisfy my curiosity.

"Stunning and sexy women", "10/10", "Steaming hot", "Perfect pair of tits", "Massively sexy attitude and smile", "Cool personality, her body is like a perfect dream", "Incredible bombshell, with a matching personality and intelligence" and I will add "Kind", and "Hard working".

That's why I booked her, she ticked all of these boxes with consistency.

I made this booking a day in advance so I had something to look forward to after a long day at work.

I arrived 5 minutes early, went for the shower etiquette. I expected a hot meaty girl with a full figure, and she was. She looked and smelled sexy. Sexy attitude from the door, wearing black latex as I requested. She apologised as it was old, but my goodness, her figure with the pointy tits. They are enhanced, but they looked and felt brilliant on her, maintaining a natural look as they cleaved of the strap wires on her chest which she slid my dick through without hands as it was fully erect.

I jumped on the bed after the shower, and she told me to just relax baby. All I said for the first 10 minutes was "Jesus fuck". Her OWO technique is ridiculous. I would have popped there and then,

had I not exercised some self control to enjoy this babe to the fullest.
The spitting, the slowing down around the edges, the grip, the sensation of her back throat; my goodness, with no gag!!!!

She likes to take the lead as I mentioned. She did most of the work and I just enjoyed the show.

She would be probably get bored with slow sensual sex tbh. I tried it. Faster pace, and giving her the control is the way with her. (She is perfect for BDMS).

I popped twice, once on her body, and the second one on her tits. No CIM unfortunately. (Worth asking).

Honestly, I wish I booked her for longer. Once sex was out of the way, I was really interested to know her a bit more. The best way to turn her on, is to make her laugh. She is hilarious with plenty of original Jokes.
