The Premises:

About a ten minute walk from Victoria tube station. Ground floor apartment. Easy to find and at the less busy end of the street. Arrived 5 minutes early for the appointment and had a nice shower.

The Lady:

Elle is a beautiful petite brunette with the most gorgeous natural breasts you are likely to see. She has a perfectly smooth shaven pussy and a lovely bum. Her new photos on the House of Divine website are fantastic and give you a rough idea of what she will be like when you meet her. She was great fun throughout the half an hour and was smiling all the time.

The Story:

After having my temperature taken and then having a shower, I waited for Elle to arrive in the room and then sorted out the money. She greeted me with a kiss and we got onto the bed. She then gave me some incredible OWO. This has to be one of the best blow jobs that I have experienced in all my punting history. She licked my balls and got my cock deep in her mouth. I could have stayed in that position for the next half an hour as it was that good. She pinched my nipples and put a few kisses on my cock. pure perfection. This turned into a 69 before we had sex. As usual, I started in the missionary position and the sex was nice and slow. Elle looked beautiful under me but I really fancied her bouncing on my cock so she went on top. This was superb and i didn't think anything could equal her blow job but then she crouched on top of me for a few minutes of pure bliss. I went back on top with the intention of trying to cum but time had ran out unfortunately. I'm sure that I will cum for Elle next time that I see her, especially as she offers CIM. At the end of the session Elle said "that was fun" and indeed it was. Fun and sexy.

One of the best visits to House of Divine ever for me and I look forward to seeing Elle in the future. With those new pictures on the website i can imagine that she will require a lot of advanced booking to get an appointment with her!
