### The Premises:

The usual place in the town centre. I managed to find a space almost outside which is free for one hour which was handy. The room was a good size with a nice big bed and modern en suite shower.

### The Lady:

Gorgeous blonde Russian lady. Very slim and toned with fantastic breasts. Nice tan. Her photos don't give too much away tbh so difficult to tell. I find when faces are blurred girls always look different to how I imagined but you shouldn't be disappointed by her looks. Cute accent. Age of 30 probably correct.

### The Story:

I arrived on time and went up the stairs, I was greeted by one of the other girls - maybe Sasha? She took my temperature and confirmed my name and the lady and showed me to the room. I took off my jacket and boots and sat on the bed.

I put the fee on the side table and waited.

Angela joined me after just a couple of minutes and was smiley and friendly from the off.

She asked me to take a shower first which I was happy to do as I had just finished work.

Angela helped me dry down and invited me to lay down on the bed for a massage.

The massage was fantastic and unexpected. Angela spent about 20 minutes giving me a really firm professional massage instead of light caressing and it felt amazing. I asked if she was qualified as she was so good but replied "No, I've just had lots myself so have a good idea what to do."

Throughout the massage we talked and got to know each other. Angela is really into her fitness and it shows with her figure.

Massage over and we laid next to each other for some more intimate touching with light kissing and our hands started to explore.

At this point my throat decided to start making noises sounding like a cat purring every time I kissed her! This happened 5 or 6 times and I have no idea why but had us both in hysterics.

She advised me to lay on my back and it seemed to do the trick!

I asked her to sit on my face which she duly did and her beautiful shaved pussy was right in front of me.

I set about licking her whilst my hands fondled her breasts and bum while she made lots of Mmms

and Aaaahs.

She tasted great and I couldn't wait to get inside her.

Angela then offered me a blow job and gave some great owo with a slow great technique flicking her tongue across the edge of my shaft.

She then asked if I was ready to fuck and applied the rubber and climbed on board in cowgirl.

She controlled the action and it felt great to be inside of her.

She then switched to reverse cowgirl and bent right over to reveal her very sexy bum as I watched myself slip in and out of her lips.

We then switched to some missionary and I pounded away for a while until I came.

By now there was just a few minutes left so another shower and the time was up.

Angela is very engaging and chatty throughout and made me feel the time was devoted to me. It didn't feel false in anyway.

I had a really fun time and would absolutely recommend a visit.

She mentioned she also works at a parlour in Bedford 2 days a week so you may know her from there.
