Kat is a delight. Her pictures are very accurate. Slim with curves in all the right places. All natural.

The Story:

Kat was amazing. As we were getting settled in, I got a call from work and had to get a move on much quicker than planned.

However, I wasn't going to leave without sampling the delights of this glorious creature.

After quickly removing clothing and getting the paperwork out of the way, we knelt on the bed kissing gently and gently teasing each other. Wasn't long before I was hard as a rock and ready to go...

Kat pushed me back and ran her tongue down my chest and torso to take my shaft in her mouth. At that point I realised I was between all the mirrors and could see her swallowing my length from the side, behind and above. It took all effort in my body not to empty my balls right there and then. Kat isn't shy about getting about it, and was regularly getting my cock against the back of her throat without any encouragement from me.

As mentioned, I could feel things starting to boil over, and I wasn't going to leave until I plundered her sweet pussy.

I needed a quick rest, so she laid back and I began to gently lick and suck her lips, while the heat in my loins subsided a little.

Then it was on the protection and some deep missionary. It wasn't long before I was getting into the final straight, and I leant back, pulling Kat on top of me whilst kneeling and grabbed her ass to grind onto me.

Didn't take long before I was spent and sadly leaving earlier than planned.

Kat was great and I can't believe someone else hasn't written a review before. I'd highly recommend her and I'll definitely be back soon, hopefully with more time on my hands.
