The Premises:

Pimlico, few minutes away from Victoria station, the basement. My favourite section of House Of Divine.

The Lady:

Jess, was really friendly when I arrived. I was very keen to see how she looked like. Straight Black hair to the shoulders, red heels, two piece black lingerie. She looked great.

Straight dark hair to the shoulders, red heels, two piece black lingerie. She looked great.

Not to exaggerate, but her body is the perfect fuck type for me. Petite, slim, soft skin, great pair of C cup tits, with flat nipples. Made noises and nice moaning facials when she is on top.

The Story:

Jess's photos have peaked my interest since I noticed her on schedule. Her photos were quite attractive, but it was the reviews that made me hesitant if that was the best value for my money.

I seen her today at 5pm. As usual, I treat punts like dates, take showers, dress up, perfume on, fully groom up and good to go. I really meditated on the state of affairs from the escorts/WG perspective before and after my visit. It's a job really. The girls advertise the services they provide, and that is all there is to it. Just because we pay it doesn't mean you shouldn't still make an effort and treat the lady well.

As other reviews said, you will not really last long with her on top. It's very hard. The reasons are her tight pussy, the movements when she is on top of you, and the feeling of her skin on you, the moaning plus her small size. Although, no tongue kissing was allowed which is as advertised you will definitely still enjoy her. With only half an hour booking, I only popped once after a 20 minutes foreplay which is my style and 5 minutes of her riding me, I saved up some time to chat to her, and it's that which makes my session wholesome and enjoyable.

It made me realise that the essence of all good punts, regardless of how great the sex was, is connection.

Jess is a lady I want to see again.

She is only 24, so I am a bit confused as to why one of the reviews dates back to 2011, she would have been 15 then!!!!??? That's not right
