The Premises:

A 1930s semi detached house about a 10 minute walk from Welling railway station. The first floor room was clean and there was a bathroom on the landing.

The Lady:

A mixed race moldovan girl (hmmm) so she said with an afro hairstyle. She'd be about a dress size 12 with large DD cup breasts and prominent nipples.

The Story:

A borderline yes from me because with vivasteet your chances of seeing the pictured girl are maybe 1 in 10. When I entered via the front door I was immediately greeted by 2 girls. I chose Maria because I hadn't punted with a lady of colour for some while. The session was OK because Maria was friendly and her English was good. The session began with covered oral which was good, but oral never does a lot for me. We continued with the sex from behind which provided an opportunity for me to reach forward and fondle her large breasts. I pounded away and caught sight of her right breast swaying until I came in the condom.
