The Premises:

I am bored of repeatedly having to review the location tbh. We met in the first floor, the room with the steps!

The Lady:

Large, piercing blue eyes that you will want to submerge your eyes into. Really gentle, and soft lady. Her photos are taken in 2018, so she has changed since, she is more skinnier now, but is still beautiful imo, although skinnier than I like. She is a gymnast and that is visible in our bed interactions.

The Story:

This is part 4 of my visits to HOD. See previously for Maya, Millie, and Apple.

I booked Effy for the same reason I booked a lot of other girls - I was curious. She had one review on the HOD website where someone commented on her eyes, and said how the photos don't really show that since her face is covered.

Her big blue eyes are deadly. Although, I had a very enjoyable session with Effy, I left feeling a huge urge to just ask her out and have some wine together. Her eyes are mesmerising, and a great additional flavour to the HOD franchise.

My sex technique has improved since I met her. I became more gentle, and sensual since our encounter. A really good kisser, and uses her tongue beautifully, and gently. After fk and cuddling, we went for 69, and I loved it. I inserted my tongue all the way in her bum, and ravaged her pussy, she really enjoyed it as I was gently stroking her back (learning to be gentle from her) she definitely orgasmed as she pushed her self on my face. She tasted sooo good. Barely 10 minutes in. Mesh and that, but to my surprise, I realised she does CIM so as she was giving OWO, I confirmed and I came inside her beautiful mouth.

This is a first for me, I really liked Effy so I asked if we can snowball, and she obliged. I tasted my own sperm for the first time and it actually tasted good, as she liked the taste of it too:)

Effy is quite smart and sensual women. She is the only lady I snowballed, and wanted to snowball with.
