The Premises:

1st visit to this kinda place in a long while. Comms via phone to place booking day before. Phone call in morning of booking to confirm, then texted the address. All very professional and friendly. Shown in by a maid, seemed a busy place, so if shy may be put off, but im not caring about whos around. Given temp check and sanitiser before shown to room to await Nicole. Room was clean with many towels and large bed. Only issue was room was very hot. Uncomfortably so really, even fan they had in room did not help much. But you make the best of it.

The Lady:

Nicole is a glamour model type. Attraction to me was obvious for kind of girls I like, some tattoos, big enhanced chest and, the full pout and killer toned body.

Nicole was great fun all round. Looked killer in tiny string bikini, boots and full make up.

The Story:

More or less straight down to it. Not much small talk as does not have a great grasp of english as is learning it. Very good OWO, Reverse oral on her. Had one long session, back and forth oral, before sex in variety positrions. Hopefully will stay here for a long while as thought she was great. Came across very friendly despite limited english and will absolutley see her again. Plan too very soon.
