The Premises:

Nice flat in central MK, 2nd time here this week, same room in fact, good shower, discreet, free parking in Sainsbury's,

The Lady:

Sasha - gorgeous eyes, great slim figure, nice little breasts, straight dark hair, calm, sensual sexy manner

Bunny - short bundle of fun! Died red hair, lovely tan, dirty grin and a twinkle in her eye

Ella - not sure what to tell you here really that you haven't already heard - legend - vivacious, gorgeous, sexy blonde

Ella has lots of pics on the internet so can get a good idea of her look, same with Sasha. Bunny has blurred face pics so was unsure how she would look bout believe me she is gorgeous!

The Story:

Please be as detailed as possible.... ok I will try but bear in mind I spent 75 mins with 3 girls and most of the time was an absolute blur!!! I will do my best!!

Firstly, I booked Gia, Bunny and Ella - Bunny at 14:30 for 45 mins with Gia joining for 30 mins at 14:45 and Ella joining for 60 mins at 14:45 as well.

I confirmed on the day and the maid confirmed Gia was unwell. A shame as I was looking forward to a repeat meet with Gia but not a problem. She advised Jess and Sasha were available. Jess has been on my wish list for some time but a recent pic on Twitter with Sasha with gorgeous eyes had really caught my attention so I plumped for Sasha.

I arrived at 14:30 to be told by the lovely maid (who was very apologetic) that the booking had been messed up and booked in for 15:30. Fortunately I had time on my side and returned at 15:30 with the adjustment of Sasha at 15:15 for 45 mins with Ella joining at 15:30 for 60 mins and Bunny at 15:30 for 30 mins. Maybe my times are too complicated as they seem to cause confusion.

Booking started and I was shown into the room and took off my jacket and shoes and asked for a glass of water. Shortly after Sasha entered wearing a cute black one piece with my drink and introduced herself. She's quite tall in her heels with a beautiful face and stunning figure.

She offered massage to begin and as I laid on the bed she gave me a really great massage which was firm but sensual, starting from my shoulders all the way down to my feet finishing with a body 2 body rub on my back with sensual kisses planted on me. She then turned me over and kissed me some more before putting on the rubber and kneeling beside me to engage in some slow sensual OW. She has a great technique and somehow I managed to keep from popping as I ran my hands along her body and watched her devour my cock.

After a while I brought her leg over and asked for 69 which she happily agreed. We stayed in this position which felt like for ages. She has a fantastic pussy and I loved licking and sucking it as she carried on sucking my cock. She was murmuring encouragement throughout and tasted great. After a while it was time for some sex so I took her in missionary. She remained very sensual and I soon came.

A quick clean up and Sasha laid down next to me. At that moment the door opened and the next 30 minutes was a massive sensory overload!

Bunny walked in first followed by Ella, larger than life. They both took off their underwear and joined us on the bed.

Ella immediately started sucking my cock while Bunny joined me at the top of the bed and engaged in some DFK. Sasha was kissing my body all over - neck, shoulders, nipples....Ella has a great technique and I was soon rock hard again. Ella then suggested Bunny have a go sucking my cock and she was only too happy to. Ella came up fir some DFK and was constantly talking dirty. If you've met Ella you will know...Sasha continued to kiss me all over and my hands were groping anything they could find.

Ella asked who's pussy was going to get licked first? Since she asked the question I said it should be hers. She agreed this was right and sat in my face with her head against the wall so I could see her face. Som whirls hover above your face but I prefer it when they sit on your face properly. This is what Ella did and as I licked her pussy she moved it around over my mouth. She tasted amazing. I'm not sure who by now was doing what at the other end but it's fair to say I was in a happy place! After a while Ella started to get very vocal saying she was going to cum and grounded her pussy in my face. It felt fantastic and I could taste her lovely juices.

She climbed off and suggested it was now Bunny's turn to have her pussy licked. She climbed on to my face and she really grinded her pussy in my face right from the start. Loved that! She was already wet and her juices tasted great. I'm sure Ella was now sucking my cock again but things were starting to become a blur at this point! Bunny tastes every bit as good as Ella and the sensation of her grinding forcefully in my mouth was amazing. after a while she too came and climbed off and told Sasha it was her turn!

Sasha sat on my face and I got to enjoy licking her beautiful pussy again. She was also still wet and tasted fantastic. I'm sure at this point Ella and Bunny were both sucking my cock and balls. I wished I could see.

After a while it was time fir some fucking so Ella applied the rubber with her mouth and told Bunny to climb on. I think Bunny has names herself Bunny after the Duracell ad has she has lots of energy! She bounced up and down on my cock for all she was worth and it felt great to be inside her lovely pussy. Ella by now had laid beside me and was alternating kissing me and sticking her fantastic tits in my face. Sasha was kissing me all over and I had one hand in Bunny's tit, one hand

on Sasha's tit and Ella's tit in my mouth while Bunny bounced up and down on my cock which was now absolutely rock hard.

Throughout all of this there was lots of dirty talk, particularly from Ella, and the whole mood was playful and fun. My minds a blur though really who was saying what and when!

Ella decided she now wanted fucking and asked for doggy. A quick change of the rubber and I stood at the end of the bed while Ella got on all fours at the end of the bed and I pushed my cock into that lovely pussy. I had Sasha on one side of me and Bunny the other and tried to pound Ella as they took turns kissing me. It's incredibly hard to maintain rhythm in this situation but managed to get it right for a while a few times. Bunny is a fantastic kisser and gives really fantastic wet sloppy DFK. I had my hands on both girls arses and kept alternating kissing them. I was in heaven.

After a while Ella suggested it was Sasha's turn so another quick change with the condom and Sasha assumed position. As I pounded away I heard Ella say to Bunny perhaps I would like Ella to fuck me at the same time! I've never tried this and in hindsight perhaps should have said yes. Maybe next time Ella...

Bunny and Ella laid at the top of the bed legs akimbo and started to play with their pussies while I pounded away inside Sasha! This was an incredible vision and one I'm sure I will always remember! It was such a turn on and I pounded away as I watched them both play with themselves. There as lots of laughing and talking dirty throughout. After a while Bunny joined me again for some more DFK. I was starting to flag by now and Bunny checked her watch and told me their time was up.

Bunny and Sasha are both fantastic and I would highly recommend.

They gathered their things and kissed me goodbye and I was left for the next 30 mins with Ella.

By now the room was like a sauna even with the window open. I could have left right now a happy man but still had another half an hour with Ella! I was going to leave a broken man!

She told me she really likes to suck cock and asked if I'd be interested in seeing this? I laughed and said let's find out and she proceeded to suck my cock. I can confirm she is very good at this and I laid there enjoying watching her. She asked if I though I would cum again. I was still hard and hopeful but unsure. I pulled her leg over my face so we could enjoy some 69. Ella has a fantastic pussy and felt great laying on me. She continued to pull me off and suck my cock.

After a while we stopped and she lay next to me for a bit and we chatted briefly. She was soon back playing with and sucking my cock again though and he was back to attention. I suggested some missionary and she applied the rubber again with her mouth and I fucked her hard as she pulled her legs up around my waist shouting encouragement. Thai went in for a while but by now I was knackered. It looked like I wasn't going to cum but Ella was happy to keep trying and played with it some more. I straddles her waist and went in for a superb tit wank. It would have been fantastic to have finished off there shooting my load between her tits but wasn't meant to be.

Time was coming to a close and I admitted defeat but this had been a very memorable Friday afternoon!

We chatted for a while and Ella offered me a shower. I needed one! She showed me to the room and I quickly rinsed off the smell of sex and returned to the room to dress and say goodbye to Ella and thank her for a very enjoyable afternoon.

There is so much detail missed out, partly because it was such a blur and partly because there was just far too much going on. All the girls were fantastic and if you're looking to see them in their own, as a duo or all three together I can't recommend them enough.

I recently read a review which said what a wonderful service they provide particularly in these current times. I can't agree more. The mental stimulation I get is worth every penny and keeps me smiling for some time after.

Also, I've read a lot of negative things about Romanian working girls. I've met a fair few now and never had a bad experience. If you hard to Annabellas or Milton Keynes escorts I'm sure you won't be disappointed.

I can't wait for my next visit!
