### The Premises:

Usual place in Bletchley, easy parking and very discreet entrance. No concern at all

### The Lady:

Beautiful young lady, model looking face. Perfect body shape. Great personalities. Pictures are very accurate on the website.

### The Story:

Overall very good experience from booking in, getting location and finish.

April is a gem and I really enjoy the time meeting her. Her oral skills is one of the best and she taste beautifully nice. I have a thing with foot worship and she has perfect feet and toe. Would love to play with them for an hour without getting bored.

She is definitely a gem something not to be miss.
