The Story:

Usual efficient comms, booked a couple of days ahead and confirmed on the morning. Directed to the walk in location near Next in the Centre MK.

On arrival I was greeted by Charlotte who was wearing a lacy dressing gown and shown a large bedroom. She returned within a couple of minutes wearing some nice black lingerie, stockings, and heels. Charlotte is a pretty girl and slimmer than her pics on the website. Confirmed that she was happy to play with butt plugs and strap-on etc.

Started with some light FK and feeling each other up, she then started to spank my ass so I bent over on the bed to reveal my already inserted furry tail butt plug. Charlotte's interest perked up, she said that she really liked playing with a guys ass as one of her ex BF's loved it.

After a playing with a couple of more butt plugs, moved into a 69 which was good, but I wish she sat more directly on my face :P

At this point, we could hear Ella refusing a booking as the punter looked too young and had no ID. I asked if Charlotte did 3 way punts and she went off to ask Ella to join us for the last 30 mins. I have seen Ella loads and previously enjoyed MFF punts with her.

Once Ella joined us and stripped off, Charlotte put on the strap on whilst me and Ella got reacquainted. Once she was all strapped in, i went down on Ella as Charlotte started to slowly bugged my ass. After a sniff of poppers from a bag and more licking of Ella's bald pussy, Charlotte stepped up a gear and fucked me into next week with Ella encouraging her all the time.

My ass needed a break, so both ladies took turns to get my cock in their mouth before Ella instructed Charlotte to don a glove and play with my ass. With Charlotte nearly fist deep in my ass, I blew my load.

After a clean up and shower, Charlotte moved on to her next booking as we were slightly over time. Had a chat with Ella about this and that before going on my way.

Good punt, the addition of Ella helped to move it up a gear.
