Fit for purpose apartment in the Hub complex in MK. Very modern, plenty of towels and toiletries available.

### The Lady:

Accurate pics on both A/W and the MK agency that she also works for. Tall size 14, with curves in all the right places.

### The Story:

Made an impromptu same day appointment as happened to be in Milton Keynes.

Comms was easy and once time confirmed I was directed to Helen's apartment in the Hub.

I had previously met Helen a number of years ago and more recently in a MFF punt with Ella @ Annabella's in MK, so I knew what to expect except for her outstanding range of dildo's, butt plug's, and strapon's!!!

After parting with my punting tokens, it was straight down to business with plenty of DFK and groping whilst we stripped each other to our underwear. Knowing my penchant for anal play, I was asked to bend over on the bed and Helen pulled my thong to one side which revealed my bejeweled butt plug. She set about teasing me by playing with it and running her nails over my body, before taking my cock in her mouth for some excellent OWO.

Helen asked if I was ready for something a little larger and set about my ass with an inflatable butt plug, this was a new experience for me, and I quickly felt my ass expanding as inhaled some fresh poppers from a bag. At my suggestion, we moved onto some strap-on fun, with me selecting a large dildo (but not the biggest!) and we moved through a couple of positions ending up with me in harness with my ankles attached to give Helen better access to my ass. She fucked my ass really hard and deep, and whilst good, it had to stop!!

After a rest, Helen moved in for more OWO and ball sucking whilst teasing my ass with her fingers, we added a large ribbed butt plug which along with more poppers had the desired effect and I shot my man goo everywhere.

Helen cleaned me up before I took a shower. We had a chat about MK and sex work before I went on my way.

Really nice lady, great attitude, and a definite recommend especially if you are into the kinkier end of punting!
