The Premises:

The place was very easy to find and the agency was very helpful.

The Lady:

Absolutely gorgeous, from head to toe she can definitely be a model.

The Story:

After waiting for a week to be able to book her, (not the agency's fault but my own) I was already rearing to go. She has a very unique way of massaging which I have never experienced before. After this mind blowing massage she went to work and needless to say her technique is outstanding, she rides you like a prized pony at a talent show!
