### The Lady:

jade is a very fit woman with a sculptured body. She take care of herself and work out on daily basis .  
Being brazilian helps i guess , nice boobs , perfect ass and strong legs .Her face is also very pretty and she has amazing long black hair .  
She came to open the door with a very sexy secretary outfit and high heels.  
the pictures on her page are real.  
she speaks very good English with Brazilian accent soooo sexy

### The Story:

Very outgoing. Easy to chat via phone. in person even better with big smile, warm welcome with lip kiss. I took a shower, water and made me feel very comfortable. This gorgeous Brazilian girl took my attention since the first time I saw her pictures. I love curvy bodies with hot arse and big boobs. She was a great plus by coming with a gorgeous face, big smile, long black hair, smooth skin and high level of hygiene with amazing perfume.

We undressed each other on the bed and went down on each other for great 69. Lots of rimming (gosh she tastes great). Her blowjob was given with great skill and she was so attentive to my cock head as well as the whole shaft. She did a little deep throat too but she doesn't like a face fuck if you know what I mean and the gasping noises were such a turn on.

I couldn't wait to slide my cock into her sweet tight pussy in missionary on the edge of the bed and pumped her for about 5 minutes while stroking her boobs with my hands. My cock was super rock hard so we changed to doggy on the floor with her legs close in this position her pussy even tighter .after while I asked if I could come in her mouth she agreed and I filled her mouth with my cream she went to spit in the sink .bit chat and I just left feeling the most happy man in the planet.  
thank you jade see you soon
