The Story:

This isn't my regular haunt as I don't pass very often, however I have visited a few times before and always had a very pleasurable experience.

On this occasion I was extremely disappointed.

I paid £25 at the desk and £140 to daisy for GFE which is no more than what I usually pay.

However for less than 30 minutes service when I had paid for the hour. The service was average.

No cim. After I 'finished' a fairly quick first go she started clearing up the room asked me what I had planned for the rest afternoon as she was getting dressed, clearly as a sign for me to go. Now I knew an hour hadn't gone by that quickly, I don't have the stamina I used too but usually get twice out of the hour. I reluctantly got up and dressed as she made it clear we were finished. By the time I got back to my car 30 minutes had passed with me paying £165 in total. Disappointed to say the least and a waste of a good chunk of change.
