The Lady:

Profile and photos are accurate. She is Hungarian and I'd describe her as a very sexy milf. Communication is always excellent and she is reliable.

The Story:

I've seen her a few times. Oral can be varied from absolutely divine on some days to slightly uncomfortable on others. She has a fantastic figure and is always fresh and extremely clean. I do enjoy licking her pussy. For her age she has an incredible figure, oozes sex appeal and not bad looking either. An epitome of a milf. My typical service with her would be owo, reverse oral, cowgirl and finishing in doggy. She never fails to bring me off. Highly recommend this lady in an industry full of so much deceit.
