The Premises:

Nice flat in Earls Court. Easy parking or tube. Plenty of room. Clean, warm, fresh towels.

The Lady:

Not sure what the lockdown rules are for this sort of thing, but at least there weren't 6 of us.

Very much the girl in the photos. Slim, pretty with big tits, and dressed in skimpy underwear. What the photos don't show is a lovely smile and great attitude. I asked her to put a skirt and blouse on whilst I showered, which she happily did. Back in the room I enjoyed running my hand up her skirt as she pulled the towel off.

The Story:

We stood in front of the mirror and I undressed her as she got the old man going. Then dropping to her knees I watched in the mirror as she gave lovely OWO. Soon we were on the bed and she was naked. More sucking, some kissing and then she lowered herself on to me. We had a very good fuck in several positions. She came with a beautiful bitter sweet intensity, that reminded me of 30 years ago when this sort of thing happened for free. I know it was an act, but was grateful anyway.
