The Premises:

Basement flat in Bayswater quite dingy but clean

The Lady:

Neither of the girls looked at all like who I'd booked patty was a chubby girl with small breast and a tattoo on her right breast the girl in the pictures has dd breasts and definitely no tattoos and I think she was actually called Lauren jasmine may have been correct but her Breast were a lot smaller than advertised so neither of them were the actual woman who I'd paid to see so very disappointed in the agency for swapping the girls with out telling me

The Story:

A great letdown as I said above neither of the girls looked vaguely like the girls I'd booked no offer of Owo the first thing the girls did was put a condom on and start sucking my flaccid penis No fingering even though it's meant to be a full gfe from both girls I had to finish myself off by wanking my self most disappointed in the agency for swapping the girls out with out even telling me
