The Lady:

A real stunner. Natural and slim young brunette with long hair and a great smile.

The Story:

It was pouring with rain and i had to wait for Elle to get ready for me. I got soaked but she was worth it.

Let in by the maid, temperature taken, then led to the bedroom.

Elle came in wearing a black see through leotard and a cheeky smile, which instantly got me hard and raring to go.

We kissed and felt each other, then sorted out the paperwork.

We resumed the kissing and undressed, i kissed her pert breasts and she started handling my cock. i got her on her knees and she kissed and licked my cock while looking up at me. Then she took me in her mouth, stretching her lips around me and taking me as far as she could.

It was time for me to return the favour so I got her to lie on the bed and spread her legs for me. My tongue teased her clit and pussy as I licked her close to orgasm using my fingers to help. I suggested we 69 and she sat on my face as she continued to suck me.

It was time to take her and once again kissing she covered me up and got on all fours for me.

I slowly eased into her from behind, stretching her lips around me, hearing her gasp as i started to take her, holding her hips, massaging her shoulders and pulling her hair to arch her back into me.

I asked her to lie down and entered her in missionary, getting to kiss her and look in her eyes as I thrust deeply inside her, feeling and kissing her pert breasts and pinching her nipples.

I wanted to see her beautiful arse again so we swapped over and I entered her from behind to a loud gasp then a steady rhythm as she met me stroke for stroke with her peachy arse, taking me unflinchingly until it was time for me to cum.

I asked if it was OK to cum in her mouth. She got down on her knees again and sucked me while looking into me eyes which did the trick and I came in her mouth like a torrent, which I think caught her a little by surprise.

She discreetly spat it out into a tissue, kissed me and left me to get dressed.

I left with a kiss and I will return for more.
She is a gem.
