The Premises:

Central London apartment, buzzer entry just off a busy shopping street, felt very safe, well furnished apartment, very clean, great roomy bedroom with en suite shower facilities.

The Lady:

Blonde pocket rocket, about 5'2 very pretty, mid 20's, enhanced bust 32DD, toned, tanned, shapely legs amazing bum, Olivia looked great in lingerie.

The Story:

It has been 2 years since my last punt and 3 years since my last review on here so this punt/review is long overdue.

I have seen Olivia several times before, as a one to one, at pre arranged parties and this time it was for an MMF 3some with me, Olivia and a good friend of mine.

Started with the meet and greet, some drinks to break the ice, quick catch up and shower, then onto the action.

Wont go into to much detail but the 90 minutes flew by, highlights include some serious deepthroat of me and my friend, my friend making Olivia squirt, a glorious 69 with Olivia's amazing bum on my face, me rimming her backside whilst she gagged on my mates cock, Olivia riding my mate reverse cowgirl whilst blowing me and my mate fucking Olivia from behind as she sucked me off, happily swallowing my load.

A very enjoyable experience which we hope to repeat in January.
