The Lady:

This was my fourth visit to Louise, so it's no surprise that I think she is gorgeous. Fabulous figure amazingly well done enhancements and IMHO a beautiful face, all these are simply additional benefits to a girl who is so much fun to be with whatever she looked like.

The Story:

I waited only a minute or so before Louise came into the room wearing a revealing green bra and knickers looking amazing. We spent a few minutes in a standing embrace kissing and catching up on how each had been since the last time we met. Louise's skin is smooth and her body wonderfully athletic to the touch. We discarded any clothes and got on the bed to further enjoy kissing in each others arms, inevitably she reached down to awaken my member, and soon had taken me into her mouth, her technique I find very arousing and this went on for a long time, I suggested 69 and we enjoyed each other for a few minutes before moving to standing doggy, marvellous feeling and lovely to feel her breasts. I would happily see Louise every time she was available but sods law is that hers and my availability only occasionally marry up. She is a very engaging intelligent young lady who I hope I can continue to see. Would I recommend Louise? Absolutely!
