The Lady:

Good looking girl and a cracking body.

Have seen her mentioned as a 'chav' on other posts and there is a hint of this although a nice girl.

The Story:

Started off with OWO which was good and enthusiastic.

After a few minutes I got her to swap into a 69 so a could get her going which seemed to work well and she tasted really good.

After having my eyes fixed on her ass hole for about 10 minutes I decided I needed to have a good go at that, so asked if she was good to do Anal. Said yes for an extra £30 which was good with me. Her arse was really nice and tight and unfortunately didn't last long as soon as I put in it ???????

Need to get booked in again with her and hopefully last a bit longer in her ass next time!
