### The Premises:

### The Lady:

She has a good bit more weight on her than the pictures suggest. I normally like slim girls and from her pics I new she wasn't 'slim' but she was definitely bigger than I expected.

But she has good big tits so not all bad.

### The Story:

We went straight into 69, made a lot of fakes moans which was a bit of a turnoff, although I know she was enjoying it as she was getting wetter and wetter. The BJ was more like 20% BJ and 80% hand job although it was OK.

Had wanted to get her on top of me and see them tits bounce but I got the impression she wasn't interested and just wanted to wank me so ended up cumming over her tits while she wanker me off.

Overall not really my type and wouldn't be looking to see her again.
