Above a row of shops so easy to find.

Back entrance which is up some stairs so is a little easy to be seen if your trying to be discreet.

The Lady:

An American girl who is nice and body shape is very much like you see on her profile.

Although she does have a few tattoos which are photoshopped out on the website.

The Story:

Got there and Hazel came straight in and offered a basic service for £60 which included OWO and kissing. Fine with me handed over the money, she left the room and came straight back.

Had already showered just before I got there so Hazel just came over and started kissing, no tongues but still good. Then whipped down my pants and proceeded to give me a really good BJ. Good depth and paid good attention to my balls.

Moved onto the bed when I got her to lie on her back while I went down on her and she tasted really good!

After a while it was time to put on the condom which she did and then got on top of me in reverse cowgirl. Which was good to see her arse move while she did her work. Moving into doggy and gave her a good seeing to.

Finished up with another BJ before cumming in her mouth for an extra £10.

Good service from a nice girl!

Need to get another visit booked in with her.
