The Premises:

Small basement flat about 5 minutes walk from Bayswater tube station. Although the flat was small, it was clean, well lit and the shower cubicle provided a decent hot shower. Also main room had a double bed, which had a comfortable mattress.

The Lady:

Anna is a very good looking Thai lady. Great body, with curves in all the right places and about 5 foot 5 inches in height. The video of her on the website is accurate. Anna also speaks good English and can hold a decent, interesting conversation.

The Story:

Anna greeted me with a passionate, deep French kiss. She was wearing a very nice, red see-through baby doll nighty and a red g-string. She looked very sexy in that outfit. The passionate kissing continued for several minutes and then Anna asked if I wanted a shower, which I obliged and then asked if she could join me in the shower. Which again I obliged. The assisted shower was great and Anna gave me a blow job in the shower. Next we dried ourselves off and headed to the main room, where Anna knelt down and gave me a nice, sloppy BJ (with gentle ball licking) in front of the mirror on her wardrobe.

Next we went on to her bed where I returned the favour and licked her pussy, which was clean shaven and tasted great. After several minutes of oral, Anna said she wanted me inside of her and so on popped a condom and we had sex in various positions. After about 10-15 minutes of vigorous sex, I ate her pussy again until she climaxed. We had a couple of minutes rest and then Anna said she wanted to do anal in front of her mirror, which again I obliged.

After anal, Anna gave me a rim job (including gentle ball licking) and she said she wanted to taste my sperm, so we finished with CIM.

We cleaned ourselves up, had more passionate kissing, a final assisted shower and kissed and said our goodbyes.

Anna is highly recommended and I am looking forward to seeing her again and will book a longer

session. She has got to be one of the best punts I have ever had over the last 5 years. Absolute beautiful lady both inside and out. Treat her well gents and you will be richly rewarded.
