The Premises:

Nice new block of flats , her place was on the top floor , very modern inside , rooms very small but workable , shower facilities very good and water hot

The Lady:

The Lady is as per description , lots of body markings , pleasant boobies and a clean styled pussy , too much hair for my liking

The Story:

Well, this was last minute and acting as I don't usually do on the reviews left on the website, I am a regular with this agency and have had a lot of very excellent punts over several years. But this not definitely not one of them.

Sophie was good and welcoming as first with DFK and sent paid my dues and had a nice shower. More DFK upon my return and then she started playing with him with hefty hands, when hard these were replaced with her mouth which was good at first

after 5 mins asked to get on the bed, a bit more OWO with a tight grip on the base of him, this is when I felt things go wrong

I asked for Reverse oral, which she seemed to enjoy in two positions, but when she became wet demanded that cover was put on

three positions were offered in rapid succession and then said you can cum in my mouth

This was not to be achieved with OWO but with a stranglehold on my balls and a hefty hand pulling at my cock

only 20 mins had gone by

I asked her to slow down, and she did not, I asked her if she was trying to get rid of me, she said that she could not understand

then stated that no one had complained before

I enough am enough, my cock was sore from the pulling, and I left after 30 mins after being given a refund of £40.00

She complained loudly that no one had complained before

The agency offered me another girl in the same building after I had already left the area, but the

pain and soreness would not have made it possible for me to enjoy it.
I will put this review on the Asian selection site, let's see if they actually publish it
