The Premises:

The venue was an apartment in the theatre district of Milton Keynes, very easy to find and discreet to enter. Inside it was neat and tidy.

The Lady:

Laura is white Caucasian British, 28y, 5' 7", size 12, 34D natural, long brown hair, firm body. She is well-spoken, charming, matter of fact, obliging and helpful with a friendly manner and smile. She has no tattoos or obtrusive piercings. Her pubic hair is neatly trimmed to a full triangle. On the AnnabellasEscorts.com website there is an engaging photo of Laura, sitting cross-legged, that showcases her splendid breasts and tasteful pubic hairstyle.

Laura wore an elaborate red lingerie set comprising a bra and lacy knickers.

The Story:

In longer sessions, I like to have a role play to serve as the framework for the fun and frolics. Having said this, I am no actor and do not expect anyone else to be either. The scenario we used was doctor and nurse which lends itself well to undressing and examination. Some women are a bit baffled by role play, in which case I drop it. However Laura rose to it magnificently and kept up the role throughout.

At the outset Laura remained in her underwear and relaxed and undressed me. She then uncovered a breast and played with a nipple, following which she took her bra off. I fondled her breasts extensively and she gave lovely fellatio, alternating between flick licking the tip and slowly moving up and down the shaft with just the right pressure from her lips.

She gave me an exquisite prostate examination, first with one finger, then with two, while wanking my shaft and played with my balls, washing her hands afterwards.

She then took down her knickers in front of me, convincingly acting all coy. She sat on my face and I licked her, in the final phase with Laura holding herself wide open.

To finish, Laura sat astride me and I immediately came, with a prodigious amount of spunk released into the condom. In the remaining time we chatted for about 12 minutes before dressing.

I am in my mid-sixties but I was never aware of any incongruity and Laura kissed freely throughout in a true GFE.

To summarise: Laura is a pretty, obliging young woman with good, large, natural breasts, a high level of technical skill and a friendly, unforced manner. I thoroughly recommend Laura.
