The Premises:

Met her in Holiday Inn Stevenage (near Matalan in the town centre)

Standard hotel room with queen sized bed on the third floor.

The Lady:

Tamara is a Scottish trans lady who is tall, medium build, and was wearing red lingerie.

The Story:

Tamara is retiring soon, and is on her final tour. She is from Edinburgh, but tours around the UK and said she's retiring since she wants something new in her life other than escorting. She doesn't do traditional escorting, but more in terms of a tantric/Eastern massage.

The session started with me taking a shower and then she asked me about pressure points on my body, so she can provide a relaxing effect without hurting me.

She massaged my back and legs, and then moved on to my front where she wanked my cock and then asked me to tease my dick on her bum.

I asked her to finger my arse and I wanked myself off to completion.

Tamara is an engaging conversationalist, taking about how she spent the year during the lockdowns, and about some other personal life stuff.

I had seen her ads before, but I thought I'd visit before she called it quits.

Overall, it was OK, and all the best to her in her new life.
