### The Premises:

Usual MKE location next to the car park.

### The Lady:

Paris is a slender, pretty Eastern European girl with blonde hair. Looks to be early 20s.

### The Story:

Suffering from a hangover, decided that the best cure would be a half hour session with one of the girls at MKE. So drifted along to MKE and asked the maid on the way who was available.

I have seen Paris before and was more than happy that she was available. Got into the room and was soon joined by Paris, looking very fine in high heels and a black body stocking.

Once paperwork was sorted, me and Paris engaged in some gentle kissing and I could already feel my hangover lifting! Then we got on the bed and, after being wet wiped, my cock was soon in her mouth and I enjoyed a gentle, slow blowjob whilst I was propped up on the pillows savouring the view.

After the owo, Paris moved on top and we went through cowgirl and then switched to doggy. Her pussy seems even tighter than what I remembered from the first time!

In conclusion, Paris is never going to be a highly energetic PSE provider, like a few others in the MK area. But for a sensual, sexy and chilled time with a pretty young Eastern European, Paris ticks a lot of boxes.
