The Premises:

newly built flat near city centre. nice.

The Lady:

This is a Leeds based girl hailing from Kent I met in Edinburgh back in October
She visits edin frequently as this is her fav town outside Leeds. Nice new flat near city centre.

conclusion first. No regret but didn't meet my high expectation.

Her age is not accurate, she looks mid 20s. Nice personality though slightly nerdy and too quiet and low key for my liking.

Not a bad looking girl. but not a stunner. short and slightly built.

The Story:

I like Rock Chick type girls. She looks fab in many photos and got raving review

Cons: Her age is not accurate, she looks mid 20s. She is more a receiving type rather than giving.

Her BJ though OWO without asking, is mediocre. We agreed on what she would wear but she seemed to have

ignored or forgot she said. I am not into Goth look into which she is leaning. During the punt, she was

playing what I would call Death Metal kind of tunes in small volume, which didn't bother me. But not my kind of

music either.

Pros Prompt and polite responses to text. Nice personality though slightly nerdy and too quiet and low key for my liking.

Not a bad looking girl. but not a stunner. short and slightly built.

sex wise, Very responsive. Many WGs say, Don;t tough me there, and there either, I am fucking sensitive there etc.

But this girl seems to love being touched anywhere. i touched her genital and it was the softest P I have touched

and it got wet quite soon and she was making right noises.

and her whole body has TOFU like softness and texture and the colour, white rather than pink. very feminine in that sense. She is one horny girl. You touch her pussy and her upper body is quivering. that soft.

It seems as though she has no muscle and entire made of fat tissue under her skin.

Although low key, she like chatting too so I wasted too much time talking. She was ready for the second round always though.

over all, ok to good punt for me. but not sure if I want to revisit her. Do I recommend if she comes round to your town or

if u are a West Yorkshire man? YES
