The Lady:

Pretty, dark long hair, looks younger than I expected, slim and in great shape. A typical girl next door look and very attractive with it. Sexy Scottish accent.

The Story:

She walked in and quickly got down to a long bout of DFK, that takes any nervousness away. She looked great in her underwear and high heels. Tall in her high heels and I like that. She sat on the bed and proceeded to give me an excellent OWO, good and deep and a little bit of face fucking. Excellent view in the long mirror. I laid her on the bed and gave her some RO which I think she enjoyed, Not much talking at all during the punt and I liked that as we could just concentrate on our enjoyment. We did some 69 and I nearly came a few times and I asked if we could fuck for a while. On with the condom, and her on top, very tight and we fucked deep and slow with lots of DFK. I chose to finish with CIM and she took it lie a trooper, no hands and slow and deep. We ran over a little and at no point was that an issue. All in all a great time and highly recommended.
