The Lady:

Sloane is simply beautiful. Is not only her physical appearance, it is also her attitude and energy.

Pale, early 20's with a beautiful body and face ... and those eyes. I know this sounds like cliché, but her pictures on the HoD website don't do her justice. This girl is a gem and she provides the best service I ever had.

The Story:

So this was a bit of a surprise booking in many aspects. I had planned to meet a girl first and then spend 45 minutes with Sloane.

The first girl was super late and when she arrived things were really not flowing, and to my despair I had to ask for an earlier termination of our meeting. I was in total angst , until the maid sorted everything out and Sloane entered the room wearing those porn-star high heels and a nice black lingerie.

My mouth dropped and my cock went up when I saw her! Not only she is beautiful, bubbly and energetic, she also has this porn-star cheekiness that makes me go crazy. I lift her up and started kissing her beautiful nipples. Then she asked me what I wanted to do and she told me that she was up for anything, and that did it for me. She went on her knees and started giving me an amazing and sloppy blowjob, with gagging and A LOT of eye contact.

Then she laid on her back in bed, spread her legs and showed me her tight, pale beautiful coochie, and I started exploring every single inch of her beautiful body. She has some tattoos, but they're quite nice and classy. She then told me that she loves to go on top and ride cocks so we got to it. Man, she rode me like a real porn star!

At some point I thought that my cock was going to break. She rode me for a while and then kept giving me those amazing blowjobs.

I came while we were on doggy and was feeling her tight little pussy while she turned her head and looked at me with those eyes displaying pleasure and lust.

We fucked again standing in front of the mirror and she kept doing the same. Man she knows how to please.

I highly recommend her!
