The Lady:

her pictures are accurate... large fake boobs, fake tan and over the top lips but a good figure..
Pierced pussy. Romanian

The Story:

friendly but very functional and rushed... no kissing cuddling, quick owo and then reaching for lubricant.. I suspected she wouldn't be great from her fake appearance and being from Romania but she had a pierced pussy so wanted to try that... i asked to lick her pussy and she said only very gently which to her was tiny licks and then asked to stop before condom... all is all not worth it and far better options available.. also goes under profile 'lexi star'
