The Premises:

Located on the main Stratford Rd in hall green opposite side of the road from wickes. Parking not great around here, plenty of public transport, bus and rail drops you right beside this place. Have to say this is the smartest massage parlour I have ever visited, very well decorated, very modern and spotlessly clean, top marks. Entrance is not for the faint hearted, in full public view and beside a barber shop, so you do not want to be hanging around for long. ok for me as not local to me.

The Lady:

Co-Co is larger than your average Chinese lady, 10/12 in size large boobs, glasses about 5ft4 in height. I found her attractive, but may not suit some. age wise I would say 40/45. Very good English very chatty and friendly.

The Story:

Went here today for a rub n tug. Never tried this place before so chose the 30min option at £30. Handed money over to receptionist and lead to room where coco was waiting, undressed and face down on table opted for hard massage and that's exactly what I got! must say I loved it! loads of elbow work, chopping and even slapping, when she had finished the whole of the backside of my body was on fire! it was painful at times but I do enjoy this. on the half hour the hot oil was wiped off and I was asked to turn over. Asked the usual question and opted for a hand shandy which was delivered with enthusiasm, milked every last drop, which was mopped up with tissue. handed over £20 to coco for handjob, dressed and on my way a very happy man. Will visit again and have one hour and b2b, highly recommended.
