The Premises:

Earl's Court, less than 5 minutes from the station. Clean nice area, discrete as it is in a basement. Everything was very tidy, clean modern shower facilities, fresh towels. Nice comfy bed with a selection of wine assortments, good lighting.

The Lady:

Alima is a beautiful MILF: tall, blonde, looked elegant and graceful in her white silky night dress, classy in her demeanour and attitude with a naughty pinch. If I would guess her age, probably 40 or late 30s at best; her body however is incredibly well maintained and graceful. What you see in her photos is exactly what you get.

Her breasts are DD enhanced but honestly really well done, they were fantastic as the main event was about them fabulous tits and she knew how to use them.

The Story:

In a nutshell I had an appointment with an independent cancelled(Demi reviewed) originally for a 3 some with her girlfriend then settled for a solo visit instead. When I got there however, someone scam switched!! There was her girlfriend there instead; much older, less enthusiastic, and when I attempted to peck her on the cheek as I was handing over the money she moved away and reminded me that she does not kiss unlike the actual lady which I wanted to see. So I just left and phoned Babylon instead; and asked if Alima would be available asap as my date now is cancelled, and I was there in 20 minutes. Really really happy that the lady was flexible and the receptionist handling it all very smoothly.

She loves to use her tongue on everything like a vacume cleaner that I had to keep her mouth closed to I can kiss her ridges properly. Fabulous attitude I slid my Johnson between her firm DDs and I could feel the muscle contraction(her suggestion to squeeze). She mixed water and gel for the boob fuck which was truly enjoyable as she worked hard on my balls kissing my body, my face with licking which I asked for. She didn't want fingering as I tried twice so I got the hint there. I finished on her boobs very nicely and she continued by kissing me all over after it was done. She also allowed slapping even tho I was somewhat aggressive with it, but it felt timely as I choked her throat in mesh too, and I felt like she enjoyed being slapped and somewhat of a rough sex, spanking her ass and boobs.

Alima offered me the choice of white or red wine; opted for white while I went for a quick shower.

Very hospitable as she offered us chocolates and fruits which I delightfully accepted.

Tbh, she does not speak much English but Google auto translates audio pretty well so we exchanged book recommendations as it turned out both of us were avid readers so she introduced me to some great literary Russian works and I showed her my list of finished books over the last 3 months and she was impressed with my variety of choices.

One of the best MILFs at this price range. She is a professional, and clearly likes to enjoy her self with her clients
