The Premises:

Bang on city centre, and nicely done up. Makes you wonder what's the rent like.

The Lady:

she is mid twenties, which rings true, too.

Reviewers say the girl is pretty and they are right. though Suicide blonde and harsh East European type with grey eyes.

pale skin and bit punkish. Since I have dim view of Polish wommen, this was a nice surprise.

The Story:

this has been in my bucket list since reding half a dozen great reviews.

forty quid for ten minutes BJ and HJ

I like WG with entrepreneur spirit. Unique offering. I normally avoid Polska, mind.

I don;t like their characters both physically and mentally.

Anyway, I made the exception, again. This has been a difficult girl to get hold of.

But once i caught her on her working day, the comms were smooth and she didn't make fuss.

When I saw her I instantly remembered the now sadly missed Polish WG who was based in Edinburgh a long time; Cute Little Angel. Only a passing resemblance but similar height and built and the same East European face and skin colour.

I much prefer CLA though. She was more friendly and less busiess like and I remember thinking when I first saw her it would be

wonderful for the next few months. I punched the air. I was so so excited I came before inserting my cock and she laughed at me

in a nice way. remembering all those made me pensive after leaving this girl. I miss her now. Its been a few yers since she left/

back to this girl. I was on bed. OWO was good, no fuss, straight into her mouth. She didn't even ask me to take a shower. She spits at it regularly. and hand job.

She has pointy nipples but not in a youthful way. They are dark brown like a woman whose been

through
pregnancy several times. I found it slightly odd. Not that I am complaining.

One complain is all the while, she was saying "yea come on baby" sort of pep talk which I found false.

This girl travels a bit so might come to your town, too. Would I come back? Maybe.
