The Lady:

Stunner! early 20's 5'0 slim size 8, long brunette hair and looks a dead ringer for Michelle Keegan, lovely bum and a pert b cup bust.

The Story:

3 girls available, I chose Kylie as she is just WOW! friendly giggly and bounded into the room and her smile and warm nature just sealed the deal! paperwork out of the way, we agreed OWO and sex.

She left to stash the cash and was straight back. She stripped off and joined me on the bed.

Fondling my bollocks and giving me a cheeky wank whilst dfk ensued. On with the condom and reverse

cowgirl for 5 or 6 minutes. She got off and we swapped positions for missionary. She was really tight and it was a real strain not to blow my load in the condom there and then.

I got off and removed the condom, some gentle kissing and cuddling and general chit chat whilst Kylie wanked me and cheekily rubbed her thumb over the head of my ready to blow cock and teased my japs

eye. We were 20 minutes in to a 30 minute booking and I just wanted to cum there and then. I sat on the edge of the bed; Kylie on her knees between my legs looking up at me. She smiled, ran her tongue around her lips that she had made into a perfect 'O' shape and just went for it, working her mouth/lips/tongue all over my cock; paying special attention to the tip. I'd like to think I lasted a good few minutes at this, in reality maybe 90 seconds. Her warm willing mouth was just too adept at sucking cock. WOOSH! I blasted the back of her throat in a torrent of hot cum whilst her hands squeezed and massaged my balls and wanked my cock. I was drained. She spat into a tissue and deposited it into the bin and I collapsed back on the bed, Kylie joining my afterwards for more kisses and cuddles.

Carslberg don't do blow jobs, if they did however; this would be it. I'm back next time she is on. Seriously fucking awesome. No clock watching no attitude no negatives. Her OWO is that good I'm not having sex next time, just 30 minutes of my cock in her mouth!
