### The Premises:

Usual working flat.. nothing special in central Bournemouth

### The Lady:

Describes herself as a gorgeous 26 year old.. gorgeous yes more like early 30's but still lovely

### The Story:

Nervous about making a house call to premises but was met with a smile,. very professional and was very accommodating against my wish list, nothing appeared off the menu, only draw back was she sees lots of clients every day and her and her bedding had the smell of multiple sessions.

Despite this would visit again as good value
